

SENATOR WESELY: Okay, and it's a...that ban was a prospective one that was...

SENATOR BAACK: Yes.

SENATOR WESELY: Okay. All right, sounds all right.

SPEAKER BARRETT: Thank you. Any other discussion? With no other lights, Senator Baack, would you care to close. Senator Baack waives off and the question is the advancement of the bill. All in favor of that motion, please vote aye, opposed nay. Have you all voted? Record.

ASSISTANT CLERK: 26 ayes, 0 nays on the motion to advance the bill.

SPEAKER BARRETT: LB 435 is advanced. The next bill.

ASSISTANT CLERK: Mr. President, LB 350 was introduced by Senator Lynch. (Read title.) The bill was read for the first time on the 20th of January of last year. It was referred to the Health and Human Services Committee. That committee reports the bill back to General File with committee amendments attached, Mr. President.

SPEAKER BARRETT: Mr. Chairman, Senator Wesely, on the amendments.

SENATOR WESELY: Mr. Speaker, members, LB 350 was introduced by Senator Lynch and heard by the Health Committee. At the hearing, Sam Seever from Harris Labs testified concerned about the provisions of the bill which do try to set up some standards for prescription drugs that are sent into the state. And at Harris Labs they do test out different drugs and they were afraid that they would be under the provisions of the law when all they were...they weren't distributing them for public consumption but were, in fact, a testing laboratory. So the committee amendments would exempt out a Harris Lab type operation from the standards imposed by the bill and would take care of those concerns. So I would move the adoption of the committee amendments.

SPEAKER BARRETT: Discussion on the committee amendments? Any closing? Thank you. The question is the adoption of the
